About Our Shelter

Dog Orphans Animal Shelter, founded forty five years ago by a small group of animal lovers, is an organization dedicated to saving dogs from pain and suffering.

We are a non-profit, no-kill shelter governed by a volunteer board of directors. It is self supporting, relying solely on donations and adoption fees to keep the shelter in operation. We do not receive any state or federal funding.

After entering our program, all dogs are spayed or neutered, given a heartworm test, a booster shot, rabies shot, I.D. tag, groomed and are provided foster care until a permanent home is found. Since we like to make sure potential owners and their new pet are happy, all adopters are given thirty days to decide if the dog they have chosen is a suitable match.

Because we do not euthanize any dogs in our program, we need your support. We ask that you consider adopting one of our four-legged friends, making a donation, or perhaps referring us to someone you know who is looking for a great companion.
