RULES OF THE DASH

Thank you for joining Dog Orphans and Wright's Farm Restaurant for a hopping fun-filled night!

After dinner, our DJ will announce when it's time for the Egg Dash. If you'd like to participate, please head to the back doors of the Carriage Room Lounge with your flashlight and basket or bag in hand. Once outside, we'll explain the designated hunting area, count down, and set you loose! Please do not open your eggs outside. After collecting them, return to your table to open them. If you find a voucher(s), listen for the DJ's announcements—tables will be called in order to collect prizes. Some prizes include alcohol, which CANNOT be opened on Wright's Farm property. Violating this rule will result in being asked to leave. If you did get an alcohol voucher you will only be able to redeem it when leaving the event. To help us prepare for future events, please recycle your empty eggs in the designated bins. Let's keep this event fun and enjoyable for everyone—thank you for following the rules, and happy running!

The suspense is real... but hands off the candy until the centerpiece winner is revealed!
Once you've collected your gifts, feel free to exchange any with friends and neighbors!

Candy

"You can't change a dog's past but you can rewrite their future". Please make this happen for Candy. Her mind is always GO, GO, And GO. We have been working with Candy using an E-collar, and she has responded wonderfully. However, shelter life, even with her staying in the office instead of the main kennel, is not providing the structure and consistency she truly needs.

Candy is a two & a half year old petite terrier mix (just 36 lbs) from South Carolina.

- Playful: She loves running and playing with other dogs after proper introductions and some time to settle down. No cats.
- Ball enthusiast: She's an avid ball player!
- Trained: Crate and house trained.
- People lover: Candy adores humans, though she'd do best in an adults-only home.
- Personality: She's active, outgoing, and always ready to cuddle after an adventurous day—perfect for cozy winter days.

Candy is ready for the right family to help her thrive. Could you be her person? Please call the shelter at 508-476-1855 or just stop in to visit her.
